Inyo & Mono Counties PSA 16 make up a large portion of rural California.

With numerous desert communities some hundreds of miles apart The following is but a partial list: Keeler, Darwin, Death Valley, Homewood Canyon, Tecopa, Charleston View, Cartego, Olancha, Independence, Walker, Coleville, Mono Lake, all with varying numbers of senior Californians from 20 to 120 yet not one of these Towns has a pharmacy.

As far as I know there are only 4 pharmacies in the area two in Bishop, one in Lone Pine and one in Mammoth Lakes.
