

Hey, CSL

What's Up?

April, 2008

Volume I, Number 4

The California Senior Legislature's Mission: To Improve the Quality of Life for Aging Californians

Chair's Corner

By Joseph A. Cox

Our CSL members have been hard at work promoting the CSL. However; we do need to pick up the pace. As the April 15th tax filing time has passed, we need to concentrate on the late filers. We are ahead of last year at this time but still short of our \$250,000 requirement. Have you made your best effort? Can you help us find a grant writer? It would be great to have another source of income and not have to depend on the check off list.

Now is the time to be working on proposals, for our October session, that will benefit seniors. We have been very successful this year in getting our proposals picked up because we had some really good ones. Hopefully the 2008 session will have all outstanding proposals. It is up to you. Don't be afraid to ask for help. The Sacramento office has some suggestions if you are having difficulty finding something that is worthwhile. Contact Sherry.

Several leadership positions will be open when we hold our October session. Why not throw your hat in the ring? Now is the time to polish up your

resume and prepare to apply for a position.

New Proposals

We have received the first two proposals for this year! Thank you, Senior Assembly Members Frank Rosten and Dorothy Sorensen! I hope all of you are

thinking of the new proposals that you are going to write and submit this year. Going through this Legislation season should be getting all of you excited and inspire each of you to new heights. Sherry has already sent out the forms and the details with the deadline but can send it again if you need more. Just contact her at the CSL office.

This year, all proposals need to be on the correct form or will be sent back. So, get your thinking caps on and start writing down those ideas!

Sad News

We had to say good-bye to long-time friend and advocate, Robert MacLaughlin this month. Robert has been a strong supporter of the CSL for many years in his role of Consultant for the Subcommittee on Aging and Long-Term Care. Robert has decided that he wants to be a stay-at-home Dad and take care of his four-year old daughter. He is also an avid scuba diver and is looking forward to seeking out new frontiers beneath the blue waters.

Jean-Paul Buchanan will be taking over Robert's position and we will be working closely with him so that he will learn all about the CSL.

While we wish Robert the very best, we will miss him greatly.

When asked what was his secret for longevity, the 99 year old said, “Simple! I just keep breathing!”

Even Sadder News

Senior Assembly Member Frances Greenwood's husband

passed away the end of March. She has asked that any donations be made to the CSL at the California Foundation on Aging.

Any news for the May Newsletter needs to be submitted to the CSL office by May 5, 2008.

Greetings from Session Planning

by Lola Young

Session Planning is right on track. We will once again be using Capitol Plaza Holiday for our banquets. Invitations for speakers have been sent. We are waiting for responses.

We need to be thinking about legislators to preside at our Senior Assembly and Senior Senate Legislative Sessions. If you have a relationship with your state legislators, begin asking them about the possibility of leading one of our sessions in October. Be sure to let Sherry know if they are interested so that she can send an invitation to them. It is not too early to ask.

Our next Session Planning committee meeting will be April 15, 2008. We will be discussing more details at that time. As always, suggestions from our members are welcome. If you have any ideas that will make our session better, please let us know. Email suggestions to myself at young7458@att.net, or to Sherry at the office.

CSL Office Closures

Due to upcoming Training and Vacation for Sherry, the CSL office will be closed on the following dates:
