

Hey, CSL

What's Up?

May 2008

Volume I, Number 5

The California Senior Legislature's Mission: To Improve the Quality of Life for Aging Californians

Chair's Corner

By Joseph A. Cox

This has been a very busy time for the CSL. Walking the halls in Sacramento, testifying for our proposals, appearing at the introduction of one of those proposals and writing letters of support has kept everyone busy.

Our meeting in San Jose was very productive. Our JRC selected a name for our newsletter. There were MANY great suggestions but the majority of the JRC members voted to keep the name that is currently on our newsletter. The minutes will give you the Rest of the Story.

Our Legislative Committee has done a fantastic job in working with legislative members this year. I believe that the rapport is great and this is evident by the number of proposals that has been picked up by legislative members. I walked the halls with the Legislative Committee in April and the feeling that I got from the state legislative members was very productive and helpful. We have a good thing going.

Our check off is a little above last year but we need to continue to work on this item. At

the end of March, we had approximately \$99,000 donated. We need \$250,000 and I hope we can reach this with the April and May donations. We need to work on the late filers now so that we can reach our required amount. REMEMBER, we must get \$250,000 from the Check Off.

Shirley Krohn is hard at work on a video to tell the story of the CSL. This was suggested by several of our members. Proposal requests have been sent out and two bids were returned. After both are reviewed, the JRC will consider these proposals.

Keep up the good work and let people know the good things that the CSL is doing to help seniors.

What are Members up to?

Senior Assembly Member Ellie Bloch – Had an article written about her and the CSL in the Tiburon *Ark*.

Senior Assembly Member Elizabeth Payne – Attended an Alzheimer's Hearing on the State Capitol Building lawn with 1,500 other supporters. She also attended Assembly Member Merv Dymally's campaign kickoff in Inglewood.

CSL embarks on new funding venture

Corporate sponsorship can add significantly to our annual budget. Do you have any ties to a corporate office - past employer, family member, friend, yourself? Please send any leads to Senior Senator Horace Mann at www.fbmann@juno.com or my home address 17900 Ocean Drive, #41, Fort Bragg, CA 95437. Please do not send just corporate or business name without the name of the person responsible for corporate giving.

Any news for the June Newsletter need to be submitted to the CSL office by June 5, 2008.

It isn't difficult to make a mountain out of a molehill. Just add a little dirt.

Greetings from Session Planning

by Lola Young

By now everyone has received their proposal forms, and are feverishly working on their proposals for the October Session. Remember the deadline for submission is June 15, 2008. Also do not forget that your proposal must be sent in on the proper form. If you have not received a form from the office, let Sherry know. The form is in your resource manual on page 25 of section 4.

The task list is right on target. Tasks for April are completed, and Tasks for May are well on their way. Sherry and I will be meeting with Holiday Inn Staff to work out details for our banquet this month.

Our keynote speaker will be Paul Greenwood, Deputy District Attorney, Elder Abuse prosecution unit in San Diego, Ca. Mr. Greenwood comes highly recommended.

There will be various forms and informational documents sent out to the members (either by email or snail mail) in the next couple of weeks dealing with the upcoming Session. Please be sure to read each one and deal with it appropriately. Information on hotels in the area, requests for volunteers, Program Book ads, Session schedules, Badge and Business Cards reorder form are just some of the documents you will be receiving. The next few months before the Session are going to be busy for this committee and for the office and you can help by sending back the information you need to in a timely fashion.

Also, be thinking about how you will be traveling to Sacramento and remember to go through Sherry in the office for those Southwest Airlines reservations.

For those of you who have a spouse, relative, or friend who is interested in volunteering to help us out at the Session, please get the volunteer form to them for filling out. As you know, these Sessions take a lot of work and we couldn't do it without all of our wonderful volunteers. Volunteering is also a good way to fill up the time while you're waiting for your spouses to get through the meetings **AND** you get free lunches! This might be a good way for some of the retired members to get back into the action as well!

Once again, I am appealing to all of our members. If you have any suggestions that would help to make the session a success, please let me know. My email is young7458@att.net and my phone number is (916) 428-4371. I will present any and all suggestions to our session planning committee.

We all get heavier as we get older because there's a lot more information in our heads.

So we're not fat – we're just really intelligent and our heads can't hold anymore so it's filling up the rest of us.
