The California Senior Legislature's Mission: To Improve the Quality of Life for Aging Californians

Chair's Corner

By Joseph A. Cox

Crunch time is here. We have just sent out important information that I hope you will look over very carefully and act upon. Two of these important items are the award recognition forms for the Moira Jackson Award and the Volunteer Recognition Award. Be sure to consider your choices carefully as these are both distinguished awards.

As I do in every message that we send out, I write about our check off fund. It is our life blood and we must raise \$250,000 if we are to stay alive. We have made some improvement in this area but we still have a long way to go. We really need a fund raising mechanism or some system that will do the job. Do you have the solution?

Our legislative committee and several individuals have done an outstanding job of promoting our proposals this year. We have several that have been chaptered. Hopefully some others will also be passed. Helping seniors is our business and I think that we are doing an excellent job but we can do more. Have you done your part?

We have had several CSL resignations this year. Health reasons have played a major role but some have moved out of state or area and have had to resign. If your PSA has a vacancy, make sure that the empty slot is being filled. We need a full complement to do the work that is necessary to carry out the important functions of the CSL.

Work hard, stay active and promote the CSL. Do more than your part!

What are Members up to?

Senior Senator Bill Young – Gave a presentation on CSL to the Caring Choices Area 4 Falls Prevention Group.

Senior Assembly Members Lola Young and Judith Stout – Gave a presentation on CSL in Davis to the Senior Citizens Commission of Davis. The person requesting this presentation found us through our website, became interested in what the CSL does legislatively, and expressed a desire to partner in some way.

Senior Assembly Member Shirley Krohn – Will be an ongoing contributor for *Success in Aging TV.com*.

Corporate sponsorship can add significantly to our annual budget. Do you have any ties to a corporate office - past employer, family member, friend, yourself? Please send any leads to Senior Senator Horace Mann at www.fbmanna@juno.com or my home address 17900 Ocean Drive, #41, Fort Bragg, CA 95437. Please do not send just corporate or business name without the name of the person responsible for corporate giving.

Any news for the July Newsletter need to be submitted to the CSL office by July 7, 2008.

I can handle anything that life throws at me - I may not be able to handle it well, or correctly, or gracefully, or with finesse, or expediently- but I will handle it.

Greetings from Session Planning

by Lola Young

It is already June with only four more months until our session, and the time is certainly flying by. I am happy to report that we are right on target. The next meeting of the Session Planning Committee will be on June 16. We have much to discuss including the banquet menus, and even some entertainment possibilities.

Our keynote speaker for the Session will be Paul Greenwood, Deputy District Attorney, in San Diego County. Mr. Greenwood is well versed in elder abuse, and I am told that he is an informative and entertaining speaker.

Nomination forms for various awards, i.e. Moira Jackson, Volunteer Award, a Senior Organization that has worked with CSL during the past year, have been mailed out by now so put your thinking caps on. Let us know who you believe is deserving of these awards. Send

the form to the office by August 1. JRC will be voting on your recommendations at our August meeting.

Remember to speak to any organizations that you belong to about placing an ad in our program book, and don't forget your own ad. You should have already received your Program Book Information Form but if you need another one, call Sherry at the office.

We are looking forward to the participation of young people this year: the 4-H Color Guard, and those older 4-Hers that will be able to help out our volunteers.

Speaking of volunteers, don't forget that spouses can volunteer to help, and receive free lunches and dinner.

I keep asking for suggestions to make our session better. I thank those who have taken the time to send in their suggestions. I am hoping more will come in. My e mail is young7458@att.net. I will bring any and all suggestions to the session planning committee. This is your Session - your ideas and suggestions should and will be considered. Please let us hear from you.

 June 16-17 – JRC meeting

Senior Voices

On June 4, 10 or more CSL members attended the Senior

Voices Conference in Sacramento, sponsored by the Congress of California Seniors and the Commission on Aging. The keynote speaker at this conference was the Lt. Governor, John Garamendi, and other speakers included Senator Alex Padilla, Assembly Woman Patty Berg, and Lynn Daucher, Director of Department of Aging. Shawnda Westly, Field Director of "Together for California's Future", a brand new broad-based coalition of consumers and advocates, also spoke.

The topic of this conference was how the Governor's proposed budget cuts would disproportionately affect California's 4.5 million seniors, and would affect many aspects of seniors' lives – cutting off access to essential health care, eliminating home care services that help people stay out of institutions, putting vulnerable elderly at risk for abuse, and lowering financial assistance for daily needs at a time when food and energy costs are skyrocketing. Together these cuts will diminish the quality of life for more than a million seniors and, for some frail elderly seniors, they could mean the difference between life and death.

All of the speakers agreed that the best way to change the minds of the state legislators to consider other solutions besides these cuts is to send letters, emails, and phone calls to them asking them to reject a "cuts-only" budget and find common-sense solutions to fixing California's budget deficit.

Shawnda Westly provided a list of telephone numbers for various counties that will send

you a sample letter to send in that will relate to your particular county. The CSL is asking all its members to call the number related to your county, get a copy of their letter, and send it in as soon as possible. Only if we make a concentrated effort to speak out and let the legislators know that we can't and won't sit still for these cuts can we stop them.

Recently a copy of Lewis Morris', Chief Counsel to the Inspector General (OIG), testimony given before the Subcommittee on Oversight and Investigations on May 15, 2008 was sent out to all CSL members. This should provide some interesting reading to all members as he describes the studies, enforcement actions, initiatives and Government-industry collaboration that OIG has undertaken to identify ways to improve the quality of care provided to our beneficiaries. He concludes his testimony by offering several recommendations that he believes will advance this objective.

The moral test of government is how that government treats those who are in the dawn of life, the children; those who are in the twilight of life, the elderly; and those who are in the shadows of life, the sick, the poor and the disabled.

- Hubert Humphrey
