Dear Senior Legislators:

I am extending a warm welcome to our 29<sup>th</sup> Annual Legislative Session of the California Senior Legislature (CSL). I look forward to working with each one of you during this Session, as we work to improve the quality of life for aging Californians.

I strongly believe that we will have a very productive Session to begin our 2009-2010 year on a high note.

Thanks to the CSL membership for making this a rewarding year. Through the hard work of many CSL members, friends, and volunteers, we met our yearly financial goal early. Thanks to the California Legislators and the Governor, a number of our proposals have been chaptered. These outstanding achievements were made possible by your dedication and hard work in addressing senior issues.

This year has seen a continuation and expansion of close relationships with other senior organizations and retired CSL members. By working together, we will be more effective in helping those less fortunate than ourselves.

It has been a real pleasure to serve as your Joint Rules Committee chair this year. STAY ACTIVE AND STAY INVOLVED!

Senior Senator Lola Young, Chair  
Joint Rules Committee

California Senior Legislature  
1020 N Street, Room 513  
Sacramento, CA 95814

Dear Friends,

It is my great pleasure to extend my warmest personal greetings to all those attending the 29<sup>th</sup> Annual Legislative Session of the California Senior Legislature in Sacramento, California.

The CSL goal of identifying and prioritizing senior citizens’ concerns and needs, developing proposals in response to those needs, and advocating for the inclusion of those issues in the legislative proposals of the CSL is admirable, and your work to ensure that aging citizens in California have an improved quality of life is remarkable. Many people would suffer significant hardship in their daily lives without the hard work of the CSL.

As a United States Senator representing the people of California, I thank all of you for the contributions you have made to your community, and to the people of the United States of America. I wish you a successful event and continued success in the years to come.

Sincerely,

Dianne Feinstein  
United States Senator

Sure, Kaiser Permanente has been around for nearly 60 years. But that doesn't mean we show our age. We're always coming up with new ways to help you feel better. Like preventive health programs, expanded medical offices, advanced information systems, and more. It's all part of the innovative approach we've brought to health care since 1943. And from the look of things, we're just getting better.
