Dear Senior Legislators:

Welcome to our 30th Anniversary Legislative Session of the California Senior Legislature (CSL). I look forward to working with you as we strive to improve the quality of life for aging Californians. We will have a very productive Annual Legislative Session to begin our 2010-2011 year. Enjoy the coming year as you volunteer your time in serving as a Senior Assembly Member or Senior Senator.

Thank you for making the past year such a rewarding experience as we focused on the many tasks needed to make our legislative efforts successful. The hard work of CSL members, friends, and volunteers was sincerely appreciated as we met many of our goals to make life better for all seniors. I would like to personally thank Governor Schwarzenegger, the California State Legislators, and their staffs for supporting and recognizing the efforts of the California Senior Legislature. The success and achievements of the CSL are made possible by their support and your dedication and hard work in addressing senior issues.

The CSL continues to create and expand our relationships with other senior organizations and our retired members. By working together we continue to be more effective in helping those less fortunate than ourselves. Although I am a relatively new member of the California Senior Legislature, I have enjoyed serving as your Joint Rules Committee Chair this year. **STAY FOCUSED AND REMAIN ACTIVELY INVOLVED AS WE STRIVE TO CREATE NEW LEGISLATION THAT WILL BENEFIT OLDER CALIFORNIANS!**

Very Truly Yours,

Senior Assembly Member Richard Dahlgren, Chair
Joint Rules Committee

The California Senior Legislature receives tremendous support from the staff of the California Legislature, and could not function without that assistance. This is a gift of time and talent to the CSL that makes a difference for California seniors!

While we have listed some of those who make these contributions, there are many, many others who help not only during the CSL Legislative Session, but also throughout the year. Our deepest gratitude goes to all of these individuals.

Senior Senator Lenwood Long 6/26/10

Senior Senator Lenwood Long served in the Marine Corps from 1948 to 1957 and was mayor of Perris from 1994 to 1996. A strong advocate for seniors, he served on the Riverside County Office on Aging advisory council. He joined the California Senior Legislature (CSL) in 1997 and has been on the Legislative Committee for several years.

In many of the comments made by various CSL members the word "gentleman" was included over and over. His intelligent, witty comments and friendliness will be missed by many. He truly believed that we were put on this earth to help others and had a strong belief in God. He was a devoted family man and enjoyed spending time with his wife, Gola.

Senior Assembly Member Jerry Meade 6/18/10

Jerry Meade was a CSL member since 2004 and was an alternate on the Joint Rules Committee. Jerry's wife, Georgia, volunteered every year during the CSL session and in his memory she will volunteer during this anniversary session. Jerry was active in civic affairs in California on local, county and state levels. He was awarded "2008 PARKS AND RECREATION COMMISSIONER OF THE YEAR" in the State of California. He was a 30 year volunteer in his church. Jerry was an avid wood worker and an excellent cook, and above all else, he was devoted to his family. Jerry was truly loved by all!

We believe 60 is the new 30.

Sure, Kaiser Permanente has been around for nearly 60 years. But that doesn't mean we show our age. We're always coming up with new ways to help you feel better. Like preventive health programs, expanded medical offices, advanced information systems, and more. It's all part of the innovative approach we've brought to health care since 1943. And from the look of things, we're just getting better.

PRISCILLA'S LETTER

FINDING THE AUTHOR
OF THE EPISTLE TO THE HEBREWS

RUTH HOPPIN

"A thoughtful, detailed set of arguments for Priscilla as the author...Hoppin's work represents thorough, carefully focused research on that issue."

— Dr. Fred Kellogg, Professor of Religion, Emory & Henry College, Virginia

Ruth Hoppin is a free lance writer and independent researcher. Her articles on religious and general interest topics have been widely published. Ruth has presented papers on Priscilla's authorship of Hebrews at regional conferences of the Society of Biblical Literature and is a contributor to the *InterVarsity Press Women's Bible Commentary* and *A Feminist Companion to the Catholic Epistles and Hebrews* (T&T Clark). Active in her church and her community, Ruth is a Director of Friends of the Daly City Library.

Paperback, 208 pages, \$15.00 Also available in Spanish: *La Carta de Priscila: Encontrando el Autor de la Epístola a los Hebreos* (tr., P. Benjamin Alfaro). Order from major book distributors or Lost Coast Press, www.cypresshouse.com, toll free 1-800-773-7782.

Ruth Hoppin tracks down every clue to contend that Priscilla, the teacher of Apollos and co-worker of Paul, wrote the New Testament epistle to the Hebrews. Resurfacing after it was secretly taken out of print just weeks after publication, *Priscilla's Letter* takes Harnack's hypothesis of 1900 into the 21st century with new evidence and a compelling line of reasoning. Recognition of Priscilla's claim will increase our understanding of the early church and elevate the social and religious status of all women.

"Priscilla's Letter, by Ruth Hoppin, (is) a formidably documented and unbelievably plausible argument that the Epistle to the Hebrews was written by St. Paul's friend and coworker Prisca."

— Fergus Kerr, O.P. (Dominican), Editor, New Blackfriars

"I, who love mysteries (like Agatha Christie's), and thirst to know more about the people and times of the Bible, read this book from cover to cover with fascination... I was delighted with the statement of the case and the clues."

— Margaret Arighi, EEWC Update

"The science of aging has the potential to produce what I and others refer to as a 'Longevity Dividend' in the form of social, economic and health bonuses both for individuals and entire populations ..."

– from "Pursuit of the 'Longevity Dividend'" by **Robert N. Butler, M.D.**

"So that's it – they wanted to talk, they needed to talk and I happened to be the listener ... And so it is with the very oldest among us. ... they've lost their friends, their wives and husbands and their children are far away – who is left? Go to a nursing home, an assisted living facility and you will find a person in need of a good, long talk."

– from "Listen, Learn and Live to Be 100" by **Neenah Ellis**

Why this book is a must read: **Longevity Rules** helps policymakers and the general public better understand and embrace the aging experience. The unprecedented compendium features 34 original and intentionally provocative essays by the nation's leading authorities on longevity. Together with the most current and compelling facts, figures and resources, **Longevity Rules** establishes the rules for "How to Age Well Into the Future."
