Dear Senior Legislators:

Welcome to our 31st Annual Legislative Session of the California Senior Legislature (CSL). I have enjoyed serving as the Chair of the Joint Rules Committee for the past two years. We will have a very productive Annual Legislative Session to begin our 2011-2012 year. Enjoy the coming year as you volunteer your time in serving as a Senior Assembly Member or Senior Senator; your efforts will be critical to the success of the California Senior Legislature.

Thank you for making the past two years such a rewarding experience for me as we focused on the many tasks needed to make our legislative efforts successful. The hard work of CSL members, friends, and volunteers, was sincerely appreciated as we met many of our goals to make life better for all seniors.

I would like to personally thank the California State Legislators, Governor Brown, and their staffs for supporting and recognizing the efforts of the California Senior Legislature. The success and achievements of the CSL are made possible by their support and your dedication and hard work in addressing senior issues.

The CSL continues to create and expand our relationships with other senior organizations. By working together we continue to be more effective in helping those less fortunate than ourselves.

**STAY FOCUSED AND REMAIN ACTIVELY INVOLVED AS WE STRIVE TO CREATE
NEW LEGISLATION THAT WILL BENEFIT OLDER CALIFORNIANS!**

Very Truly Yours,

Senior Assembly Member Richard Dahlgren, Chair

CALIFORNIA SENIOR LEGISLATURE

31 Years of Service

Established by State Law, the Mission of the California Senior Legislature is to help preserve and enhance the quality of life for older Californians and their families.

It was 1979 when then State Assembly Member Henry Mello introduced legislation to create a non-partisan, volunteer grassroots body of seniors 60 years of age and older to be elected by their peers — the California Senior Legislature. The first session was convened in July of 1981 and was deemed such a success that the Honorable Mello introduced SCR 44 (1982) providing for annual CSL sessions.

Governor Jerry Brown observed, “The California Senior Legislature offers our older citizens a special opportunity to assist me and the Legislature in developing priorities for the year [1981] and the years to come.”

The first session resulted in the passage of several laws, including strengthening laws dealing with elder abuse, providing for the building of “granny houses” for elderly relatives, and a measure that helped counties set up adult day health care programs. The other CSL priority proposals were made into two-year bills. Overall, there was a 60% success recorded with these first priorities.

From that early auspicious start, the CSL has flourished for the past 31 years. Every year, through its senior legislative session process, it has formulated and sponsored top priority proposals, shepherding them into bill form and subsequent enacted legislation.

The results of these legislative efforts have resulted in numerous extremely important advances, such as Alzheimer’s Disease treatment and programs, expanded geriatric and gerontology training for all levels of caregivers, greater protection against elder abuse of all forms, protections for mobilehome owners, improved care in long-term care facilities including the Nursing Home Patients’ Protective Act, and prescription benefits for Medicare beneficiaries, to mention a few.

The history of the CSL’s legislative accomplishments affecting state and federal programs and services — as well as other important issues of concern to older Californians — is well documented. Of the CSL’s 239 legislative proposals picked up by the Legislators from 1982 through 2004, 155 were chaptered into law, resulting in an average success rate of 65 percent.

CSL’s successes have not gone unnoticed. More than a decade ago, in celebration of CSL’s 10th Anniversary Session, former president Ronald Reagan sent a greeting that stated, “I am pleased to offer my heartfelt congratulations to all the members of the California Senior Legislature on this their 10th anniversary of legislative advocacy on behalf of the elderly of California.” President Reagan’s letter concluded with, “I commend all members of the CSL, past and present, for accepting the challenge of the state legislature to prioritize the needs of California’s elderly, and for being an inspiration to us all, proving that individuals can indeed have a voice in our legislative system.”

In 2004 we were heartbroken and dismayed over the passing of our founder, the Honorable Henry Mello, State Senator (ret.) He had remained steadfast in his strong association and support for the CSL throughout our entire history. In his final days he helped in the passage of legislation making the CSL an independent State entity.

PRISCILLA'S LETTER

FINDING THE AUTHOR
OF THE EPISTLE TO THE HEBREWS

RUTH HOPPIN

"Hoppin has done a fine job...her solid argument makes a formidable case that must be dealt with by any who choose an alternate author."

— Kenneth D. Litwak, Ph.D,
Ashland Theological Journal

Ruth Hoppin is a free lance writer and independent researcher. Her articles on religious and general interest topics have been widely published. Ruth has presented papers on Priscilla's authorship of Hebrews at regional conferences of the Society of Biblical Literature and is a contributor to the *InterVarsity Press Women's Bible Commentary* and *A Feminist Companion to the Catholic Epistles and Hebrews* (T&T Clark).

Paperback, 208 pages, \$15.00 Also available in Spanish: *La Carta de Priscila: Encontrando el Autor de la Epístola a los Hebreos* (tr., P. Benjamin Alfaro). Order from major book distributors or Lost Coast Press, www.cypresshouse.com, toll free 1-800-773-7782.

Ruth Hoppin tracks down every clue to contend that Priscilla, the teacher of Apollos and co-worker of Paul, wrote the New Testament epistle to the Hebrews. Resurfacing after it was secretly taken out of print just weeks after publication, *Priscilla's Letter* takes Harnack's hypothesis of 1900 into the 21st century with new evidence and a compelling line of reasoning. Recognition of Priscilla's claim will increase our understanding of the early church and elevate the social and religious status of all women.

"Priscilla's Letter, by Ruth Hoppin, (is) a formidably documented and unbelievably plausible argument that the Epistle to the Hebrews was written by St. Paul's friend and coworker Prisca."

— Fergus Kerr, O.P. (Dominican), Editor,
New Blackfriars

"Extremely well investigated...if you are genuinely interested in exploring Biblical history with an open mind, Priscilla's Letter is a 'must read.'"

— "Irish Reader," Cherrywood, Republic
of Ireland
critic, www.amazon.com
