Section I, Article H.

The Legislative Committee shall elect two vice chairs—one from each house.

(continued on next page)

Mission: To Improve the Quality of Life for Aging Californians

One Vice chair shall be appointed by the Legislative Committee Chair to be the alternate to the chair at the JRC committee meetings.

The alternate will attend JRC meetings when the chair cannot attend. The Vice chairs shall be included on all communications to the JRC members.

RATIONALE: (Give reason(s) for proposed change)

When the Legislative Committee chair, as ex-officio to the JRC, cannot attend the meetings, there is a gap of information that isn't communicated to the JRC members. The Vice chair will be knowledgeable and can communicate to the JRC and be available to contribute to the discussion from the Legislative Committee point of view.
